Height: 5'4" • **Eyes:** Blue/Grey • **Hair:** Dark Brown/Black

I am a Petite fashion model that has acquired a lot of experience through Freelancing. I am now ready to broaden my horizons to Print, Commercial, and Runway modeling. I am based near New York, New York, but am open to traveling the world!

It's beautiful to watch the industry become more inclusive of all types of individuals. I am extremely passionate about the magic that is representation.
